Hiyori
Kanade, 17
years old.

Hm...
We're
getting pretty
far from the
city now...

I WANT TO
RUN AWAY!

It has a
certain aura,
right?

Right now
I'm being
taken to
Kageyama-
kun's house.

Let's
stay calm,
ok?

Hiyori received a confession by the self-proclaimed weirdo, Kageyamakun. She was dragged into this foot-control system. Having Kageyama's weird words and behavior, Hiyori asked to be his friend. The school doctor Kawano, who was watching over the two of them, asked Hiyori down the instant he's alone with her. (?! Truth is, he's actually Kageyama's older brother, Rokasou. Hiyori then is led by Rokasou to be introduced to the Kageyama household.)

Pedro

Kageyama's familiar

Hiyori Kanade

(Good sport)

~~~~~

She likes her short  
sisters, Hiyori and  
Yui. She has an unrequited love for  
her classmate, Sakuragi.

Kageyama, Hiyori  
-the sport-

A mystery about whether  
Hiyori's blood, he's a little  
mysterious.

are  
brothers.

They  
don't look  
like...

Kawano-  
sensei from  
the nurse's  
office and  
Kageyama-kun.

I'm  
still  
young,  
ok-

I was  
born  
in the  
postwar-

Sensei...  
Just how old  
are you?

Because  
compared  
to normal  
people, we  
don't age.

It's an  
alias.

By the way,  
why are your  
surnames  
different?

Myori-  
sensei.

This is  
okay-  
I want to  
go back-

OF  
WHICH  
ONE?

So we need  
to change our  
names every  
now and then  
and move.

Kage-  
yama-  
kun.

No matter  
what happens,  
I'll definitely  
protect you.

It's all  
right.

**LOOK  
AT ME!!**

**SOME-  
THING'S  
GONNA  
HAPPEN,  
RIGHT!?**

He-y

Hyoun-  
san, my  
senpai.

Ah,  
Uhm...

He  
Haa

...A  
human?

A bunch  
of people  
appeared!

ONIL-CHAN  
IS SO  
HAPPY...!

KUROU,  
YOU

YOU'RE  
KIDDING-  
WHO- WHAT  
KIND OF  
GIRL-?!

The fourth son.

Shirou.

He's a writer.

Nice to meet you.

And his wife.

Talking about a girl he brought home for the first time like she's just a fresh blood container. What a nasty conversation.

Personally, I think adult women taste better, but...

You have a pretty good taste, huh...

You're the worst one, Shinozumi.

The fresh ones are definitely better

It's not like you're a virgin, right?

Shinozumi was my first love...

Well, he's grown up and got a little stronger, but

he still gets sick.

Even if he drank blood he'd feel sick.

Really unbecoming

Good! That boy's body has always been weak.

That Kurou-chan found a girl who'd give him blood.

This makes me so happy.

Is it?

I'm so glad

I definitely

And to think he himself would come and introduce his blood partner to us

Huh?

Hyori-  
senpai...

What am I  
saying yes  
for—!!

YES!!

Please,  
take care of  
Kurou-chan,  
okay?

OK

Say,  
Hyori-  
chan

If you'd  
like, how  
about having  
dinner with  
us? ♡

THAT'S  
NOT IT!

MY MOUTH  
JUST SLIPPED,  
THAT'S IT!

I'm  
moved.

To think  
senpai wanted  
to take care  
of me that  
much...

KAGETAMA-  
KUN, YOUR  
REACTIONS  
ARE REALLY  
UNPERSONABLE.  
YOU KNOW ME?

I'm  
disappointed...

But, in the past,  
drinking human  
blood was just  
because there  
wasn't much  
choice, right?

Now there's  
so many tasty  
things to  
choose from.

Nowadays  
the risk of  
getting caught  
is really high

Though  
if I wanted  
to drink, I  
would.

Eh-?

We're  
not that  
medieval,  
you know

I thought  
you would  
try drinking  
my blood for  
real...

The food  
preferences  
of vampires...

That's cause  
you only drink  
blood from  
packs.

I don't really  
see the  
difference

Normal food  
doesn't give  
us the same  
energy

Nah,  
but blood  
is the best  
after all. A  
delicacy!

That's  
how things  
have been  
recently

Because  
his body  
is frail!

The fact  
that Kuroo  
brought  
someone  
means

But  
you  
know...

Afterwards  
Kuroo would  
throw up a  
lot, right...

are you alright?

Miyori-  
senpai.

WAH!

Ugh...

As I  
thought, I  
shouldn't  
have come...

This is  
my room.

Nee-san  
wanted me  
to apologize  
to you.

What?!

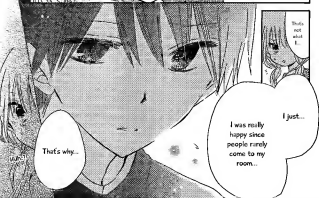

Where  
am I!?

Go to your  
room and  
apologize to  
him.

Stupid  
sensei.  
Why did  
he have to  
bring me  
here...

...Senpai.

# 保健室の影山く

THAT'S  
DEFINITELY  
A LIE!!

CLOSING IN

I wanted  
to honestly  
show you my  
hospitality.

AND I'M  
TELLING YOU  
I DON'T CARE  
ABOUT THAT!

Then let's  
do some  
astronomical  
observation

I DON'T  
CARE ABOUT  
THAT!

There's  
books  
about  
stars too!

I'M FEELING  
NOTHING  
BUT FEAR  
HERE!

Here,  
look  
I have  
a lot  
of fun  
books  
for you  
to read!

FOR STARTERS,  
THAT ATTITUDE  
OF YOURS IS A  
PROBLEM!

JUST WHAT  
IS IT THAT YOU  
WANT ME TO  
DO?

You don't  
like this,  
and you don't  
like that  
either...

Rokurou-nisan, you're annoying.

What were the two of you doing all by yourselves huh?

Kurou!  
I heard you collapsed, for real?

I'm sorry.  
I just need to sleep a little bit and I'll be fine...

So concerned.

Well, I'll drop by later with some medicine for you.

Are you really going back?

But if Hyori-sensei would give me some of her blood then I'd feel better instantly.

That. Won't. Happen.

I guess not.

Yes, I am!

No, it's ok...

**HURRY  
UP AND  
SLEEP!!**

I understand.  
Then I'll just sleep  
here alone, along with  
these accumulated  
feelings of loneliness  
that I have.

He's  
asleep.

that doesn't  
seem to be the  
case. He seems  
to get along  
with his family  
just fine.

He said  
he's been  
alone since  
he was  
little, but

Taking  
advantage... Goss...  
of people's  
kindness  
like that...

As I thought,  
I should just  
go home already!

Maybe that  
was his plan,  
to make me  
say I want to  
be his friend!

What  
is this?

inside  
my head

something  
is...

Then I'll  
come back  
later.

You need  
to rest  
so sleep.

close

Could  
it be

Kageyama-  
kun's...

What  
is this,

I wonder.

When I  
touched  
Kageyama-  
kun

Images came  
flowing in  
my head.

Has?

Just  
now,  
a  
dream?

A little  
Kageyama-kun  
was lying on  
a bed.

WOAH!

What,

did  
something  
happen?

OPEN

Vampires  
have the power  
of hypnosis...

And strong  
vampires are able  
to influence a  
person through  
suggestions.

That's  
something  
rare for  
Kuroi.

...Oh

Amazing...

You were  
able to enter  
Kuroi's dream.

What?

...Pro-

Probably...

The dream  
you saw was  
from when  
Kurou was  
little?

Maybe  
you two are  
compatible?

He's  
defenseless  
while he's  
asleep.

H-Hmm...

I was the  
one who took  
care of him the  
most, so...

You  
know  
I...

That's  
why...

I guess  
we're human  
too...

I was happy  
that he was  
interested in  
the outside  
world.

I want  
Kurou to  
become  
healthy.

Ah,

you  
wake  
up?

So

but you  
didn't even  
leave the  
room.

You say  
that

That's pretty  
soft-hearted  
on your part,  
you know?

I'm  
fine now  
but...

yes.

Ah,

Do  
you feel  
better  
now?

Is your  
body  
single?

"I was really  
happy since  
people rarely  
came to my  
room."

Scrap, I  
thought you  
and you were  
leaving...

...I'm  
leaving!

after we  
see the stars,  
ok!

...Uhm

But

Is that  
not?

I just came  
to this house  
but the previous  
one was larger.

Amazing...

The  
garden...

It's  
so big..

It is.

It's a little  
hard to see  
the stars,

but the  
moon is really  
beautiful,  
right?

It really  
is.

Could it  
be that his  
family's  
rich...?

Tonight's  
a full  
moon,  
right?

Some  
40 years old.

I have no  
idea of what  
you're talking  
about.

There  
must be...

from Virgo's  
constellation!

That's  
Space.

What's  
that star's  
name?

Not being  
able to return  
to the surface  
after eating a pomegranate  
from the  
Underworld,  
a case of  
Yoroihou  
Higan.

That's  
right.

What is  
that...

But...

I guess  
I do.

I didn't  
have other  
things  
to do.

...I  
wonder  
I've  
never  
thought  
about it.

Kageyama-  
kun, do you  
like stars?

...It's a  
first for  
me.

To watch  
the stars by  
someone's side  
like this.

The  
truth  
is, I  
always...

and some  
thing like  
sad moment  
to have

I wonder  
if the  
stars

wanted to  
see them with  
someone  
by my side.

...Then,  
from now  
on

a lot more  
beautiful  
things the  
afternoon  
has to offer.

maybe I  
can show  
you

-ah

...Senpai.

Hm?

Hm

Mmm

As always  
his notion  
of personal  
space is non-  
existent.

Starts

He's  
almost  
like  
a small  
child.

Well...

that you'll  
stop running  
away and stay by  
my side, then?

If it's  
just for  
a bit...

...I guess  
you're right.

It's already  
past eight,  
you see--

if you  
don't return  
soon...

You  
two,

Nice, I'm  
saved!

Look!

Kageyama-  
kun, your  
oneesan  
is...
